SPA

Discovery Facial

An express facial, individually tailored to your skins needs, that combines the art of massage and mask layering to achieve optimum results in minimum time. The complexion appears smooth and radiant whilst providing an important boost to the moisture levels.

- 30 minutes - £57

Soothing Cocoon Facial

This balancing facial uses our coveted anti-fatigue cooling Filmomasque which is packed with marine actives to soothe the skin leaving it freshly energise and comforted. This facial calms discomfort making it ideal for fragile, sensitive skin prone to redness.

- 60 minute - £87

Age Defence Contouring Facial

Skin appears lifted and regains firmness whilst our innovative and highly active ingredients repair mature and photo aged skin, smoothes out wrinkles and instantly boost vitality and radiance for an all-encompassing age defying result.

- 60 minutes - £87

Treatment List

SPA

Skin Refining Peel

Transform skin texture and tone for a renewed supple and smooth complexion with this highly advanced resurfacing facial which combines the power of concentrated yet gentle fruit acid technology with expert techniques. This is the ultimate skin rejuvenating experience without discomfort, which deeply cleanses, exfoliates, erases the visible signs of ageing, and promotes a youthful glow.

• 60 minutes - £87

Collagen Plumping Expert Facial

Treat your skin with this exclusive wrinkle-busting facial designed to plump the skin from within and smooth out lines. Using a freeze-dried Collagen Mask infused with Hyaluronic Acid this treatment restores instant hydration and reveals a radiant glow for a younger looking you.

• 60 minutes - £87

The Sensory Signature Ritual

A luxurious nine step face and body ritual combining a unique fusion of ancient massage techniques, pressure point massage, lymphatic drainage together with ground-breaking formulations to improve the health and well-being of the mind and body.

• 90 minutes - £117

Treatment List

SPA

Vitamin C Citrus Infusion Expert Facial

Rediscover your youthful radiance with this revitalising, Antioxidant-rich facial designed to brighten, smooth and restore balance. A Vitamin C-infused Collagen sheet mask delivers a concentrated boost of hydration and luminosity, helping to even skin tone and visibly reduce signs of ageing. This indulgent experience is further enhanced with sculpting facial cupping, a gentle, rhythmic technique that stimulates lymphatic drainage, boost circulation and encourages natural Collagen production. The result is a refined, lifted complexion with softened fine lines and a healthy, energised glow.

60 mins | £87
